Las Vegas (Dec. 23, 2017) –Toll Brothers, a national homebuilder and Fortune 500 company, has long been building quality homes in the master-planned community of Summerlin®. Currently, the company offers a diverse range of homes in six neighborhoods within three distinct villages throughout the community: Regency, Ironwood and Granite Heights in The Cliffs village; Fairway Hills in The Ridges village; and Los Altos and Altura in The Paseos village.

The Cliffs is one of Summerlin's newest villages unfolding along its southernmost edge at the base of a dramatic ridgeline for which it is named. Here, Toll Brothers is actively selling three neighborhoods. For those seeking an active adult, 55-plus lifestyle, Regency offers all single-story homes in nine unique floorplans spanning 1,665 to 2,724 square feet and priced from the \$400,000s. Ironwood is a gated, all single-story neighborhood with homes ranging from 2,516 to 2,823 square feet and priced from the \$600,000s. Spacious floor plans include three bedrooms, from two and one-half to three and one-half baths, three-car garage and unique indoor/outdoor living spaces that take advantage of the village's elevation, views and stunning natural landscape. Special features in select models include private courtyards, covered patios and an expansive sliding door system.

Granite Heights also features all single-story homes in a gated setting with homes spanning from 3,156 to 3,238 square feet and priced from the high \$800,000s. Designed with modern luxury and laid out to maximize both city and mountain views, Granite Heights homes feature open floor plans, 10- to 16-foot ceiling heights, abundant indoor/outdoor living spaces and more. In The Paseos village, located west of the 215 Beltway just north of W. Charleston Blvd, Los Altos and Altura offer expansive homes ideal for families of all sizes on elevated topography that overlooks the valley. Los Altos is an exclusive gated neighborhood with all single-story open floor plans that range from 3,094 to 3,822 square feet and priced from the mid-\$700,000s. In fact, the neighborhood offers

the largest single-story homes on the largest lots in The Paseos village, located across from Fox Hill Park. Los Altos homes include three or four bedrooms, three-and-one-half or four-and-one-half baths and three-car garages.

Los Altos floor plans are the first of their kind nationally for Toll Brothers. They offer many features that emphasize indoor/outdoor living space via covered patios and other design details to take advantage of the area's surrounding beauty and climate. Flexible floor plans include next-generation living options, up to seven bedrooms, and five-and-one-half baths.

In The Ridges village, Summerlin's exclusive luxury enclave that is home to several custom home neighborhoods, Fairway Hills is the village's only luxury condominium neighborhood, bringing carefree, maintenance-free living to one of Southern Nevada's most desirable areas. Nestled in a peaceful desert setting against Jack Nicklaus' Bear's Best golf course, Fairway Hills is a gated neighborhood offering three home designs in both one- and two-story options with floor plans ranging from 2,105 to 3,274 square feet and priced from the high \$600,000s.
