SUMMERLIN ADDS FOURTH COMMUNITY CENTER TO ROSTER OF AMENITIES

Las Vegas (June 1, 2015) – The master-planned community of Summerlin is adding a fourth community center to its long list of amenities. Already under construction, the 7,900 square-foot Vistas Community Center will offer meeting rooms and a pool for residents and their guests.

This community center will serve residents in the growing west region of Summerlin and will complete the full balance of planned amenities in this beautiful village located west of the 215 beltway with views of neighboring Red Rock Conservation Area.

The Vistas Community Center, located in the Vistas Park on Park Vista Drive, is slated to open in late 2015. It will feature a 5,692 square-foot pool with a slide and a child’s lagoon featuring frog fountains. The center will also house meeting rooms and a kitchen for gatherings of all kinds.

“Community centers are a pivotal element to Summerlin’s design in creating an active lifestyle for residents” said Danielle Bisterfeldt, director of marketing for Summerlin. “From educational, fitness and social classes to camps of all kinds, community centers offer residents a comfortable and accessible gathering spot in their own neighborhood to have fun. Since the community’s inception, community centers have played a role in fostering Summerlin’s strong social fabric, so we are excited to soon welcome yet another facility to the community.”

In addition to the existing three Summerlin community centers which offer extensive programming including classes and activities for adults and children, Summerlin is also home to Veterans Memorial Leisure Services Center, owned and operated by the City of Las Vegas and built by The Howard Hughes Corporation. It is a public facility that includes an indoor pool, gymnasium and dance studio.

Summerlin’s community centers round out a robust list of amenities that include more than 150 parks, more than 150-miles of interconnected trails and a variety of dining, shopping and entertainment options, including the 106-acre Downtown Summerlin.
