FESTIVAL OF ARTS

ARTIST SPOTLIGHT

Michael George

Fountain Hills, AZ

Discipline: Sculpture

Hailing from Arizona, Michael George's vivid works are casted acrylic, bronze, stainless steel sculptures poured in multiple layers of transparent colors. His sculptures are hand-shaped to form an abstract structure then polished to a high finish.

NEW TO FESTIVAL

Cary Henrie

Bountiful, UT

Discipline: Mixed-Media

Cary Henrie, new to the Summerlin Festival of Arts, begins his MirrorScapes with hand-painted acrylic in abstract strokes on mirror, combined with layers of imprinted photographic elements. Each image is then finished with additional layers of paint and a UV resistant gloss varnish. Each art piece can go indoors or out.

Holly Kaufmann Martinez

Castaic, CA

Discipline: Jewelry

Holly Kaufmann Martinez is known for her JunkYard Jewelry that creatively transforms vintage and industrial components into contemporary necklaces, cuffs, bracelets, and earrings. Unexpected materials such as vintage light bulbs, springs and washers are all integrated into her custom designs.

Owen Klaas

Beaumont, CA

Discipline: Painting

Owen Klaas is a self-taught painter, sculptor, illustrator, and a mural artist from Beaumont, California. Each piece is unique and highly symbolic of a world that balances the line between beauty and darkness. His paintings convey hope in a dark space.
